

THE COMMISSIONERS OF FIRE DISTRICT NO. 2
BOROUGH OF TINTON FALLS, COUNTY OF MONMOUTH

April 4, 2019

Minutes

Workshop

Charles Bell called the workshop meeting of the Commissioners to order at 7:02 pm.

In accordance with the Open Meetings Act, Richard Braslow read the following statement. "Adequate notice of this meeting has been provided in accordance with the Open Meetings Act by the adoption of a schedule of meetings and notice thereof being posted in the municipal building, being filed with the municipal clerk and being transmitted to the Coaster and the Hub all within 48 hours prior to this meeting."

When the roll call was taken it showed Peter Maclearie, Mason Lewis, Charles Bell and Brendan Tobin were present at this workshop. Ronald Neis was not at the meeting.

Brendan Tobin brought up when people go to FDIC, and not wanting members to stay in unsafe areas. We would rather spend a little more than risk members staying in an unsafe area.

Mason Lewis brought up that he was waiting for the third quote for the cameras in the truck. He reiterated that the cameras would be rear backup cameras in the trucks that do not have them and dash cameras recording video outside the cab.

Peter Maclearie asked about social media posting and potential risks from unfiltered posts. There was a healthy discussion on what is currently being done and what should be done with pictures, posting to social media, and phone use on the fireground.

Charles Bell brought up people getting credit while working as a police

officer and getting LOSAP credit for calls.

Peter Maclearie brought up making a punch list of objectives we want to achieve as a board. Charles Bell brought the usage of the chiefs' trucks.
