BOROUGH OF TINTON FALLS, COUNTY OF MONMOUTH

Workshop

Albert Neis called the workshop meeting of the Commissioners to order at 19:01.

In accordance with the Open Meetings Act, Richard Braslow read the following statement. "Adequate notice of this meeting has been provided in accordance with the Open Meetings Act by the adoption of a schedule of meetings and notice thereof being posted in the municipal building, being filed with the municipal clerk and being transmitted to the Coaster and the Hub all within 48 hours prior to this meeting. And posted on the website and held in accordance with executive order in relation to virtual meetings due to the pandemic."

When the roll call was taken it showed Brendan Tobin, Albert Neis, Charles Bell, and Mason Lewis at the meeting. Peter Maclearie was not in attendance.

Brendan Tobin discussed speed settings for 36-180 and reprogramming the speed limit. Albert Neis brought mentioned that drivers are taking the truck to excess speeds under the current limits set on the trucks and questioned if raising that limit was needed. He expressed that people on the parkway are always going to pass the trucks going 65. Charles Bell and Brendan Tobin suggested reprogramming the speed limit on the truck to go faster. Chief Daniel Evankow expressed that everyone should be going the speed limit on the parkway and the firetruck is currently getting passed at the current programmed speed limit of 55.

Mason Lewis brought up moving the banking services to Manasquan Bank from Ocean First to increase the interest rate. The interest rate that Ocean First has been giving us has dropped almost entirely from what we were originally offered when we switched. After first questioning the low rate Ocean First did raise it a little and the rates have dropped considerably with the economic environment, but he felt we could do better than what Ocean First lowered our interest rate too.

Mason Lewis said he rather wait until next month when he has the documents.

Chief Daniel Evankow reported on Station 1's calls and training for July. He requested to purchase two new radios (\$15,145.12) and pony hoses (\$1,337.50).

Cindy Anderson brought up dividend checks from our old Selective policies for a prior carrier for \$1,820.26 and \$1,756.77 and gave them to Mason to deposit. She mentioned that the life insurance renews on the first of September.

There being no further business to discuss, a motion was made by Brendan Tobin with the second by Charles Bell to adjourn at 19:15. All in favor.
