NEW JERSEY

DISTRICT POLICY

Category: **Equipment Operation- Wet Downs and Parades**

Effective Date: **05/05/88**

Tinton Falls Fire Co. and Northside Engine Co. can use fire equipment to attend parades and wet downs as long as a Line Officer is present on the truck. Sufficient coverage should be left in the borough. If possible, this Board of Fire Commissioners should be notified in advance of the date. This notification can be verbal. In addition, the driver of the truck can or will not partake of any alcoholic beverages at the parade or wet down. Also, there should be a sufficient number of firefighters on the truck in case an emergency should arise.
